Our School aged competitions from years 7 through Opens are either boys or girls' competitions. INTRODUCTION

The MWBA is a non-profit that operates from the Northern Beaches Indoor Sports Centre. The Association runs over 7000 Basketball games per year, from Little Eagles through to Miniball, Juniors, and Senior Competitions, averaging more than 4500 players in local competitions each year both at the NBISC and other courts throughout the district.

This handbook has been produced by the MWBA to ensure that all participants have access to the rules and conditions under which our competitions are conducted.

Please note we are predominantly a school-based Association and therefore **we run our competitions in School year age groups, as our competitions are primarily school based.** (when referring to Age Groups in this document, it means School Year Age Group)

We hope that publishing of this Handbook will lead to a greater understanding, co-operations and enjoyment by and for all members.

As always, comments and suggestions are a welcome and necessary part of the development of our Association. Members Feedback Form can be found on our website on the Policies page.

1. CONDUCT OF GAMES

- 1.1. All games are played under the authority of the Manly Warringah Basketball Association and shall be conducted according to the rules as laid down in the current "Official Basketball Rules" released by FIBA, except where variations are listed within the competition's rules and by-laws.
- 1.2. All teams that have entered the competition and registered by paying the deposit, commit to pay court fees for the entire competition, regardless of other circumstances, except if the team is removed by the MWBA management.
- 1.3. All games will be under the control of MWBA, who are responsible for receiving competition entry forms, team deposits, registration, and court fees. The MWBA is also responsible for compiling the draws, notifying contacts, and advising changes to the draw, receiving notice for forfeits and notifying affected teams, as well as ensuring that the competition rules are adhered to. The MWBA staff will endeavour to allocate teams into appropriate standard competition to ensure the smooth running of these competitions.
- 1.4. All teams must have a competent and committed team manager who is over 18 years of age and will ensure their team is properly uniformed, organized and has sufficient players registered to complete the games without disruption.
- 1.5. In the best interests of the competition, MWBA staff have the **power to vary, change or introduce special rules at any time, including re-grading**, and, if necessary, remove or withdraw any player or team from the competition for **unacceptable behaviour**.

2. CODES OF CONDUCT

- 2.1. The following policies and procedures will be in effect at any MWBA Local Competition game. If any of these policies are breached, a designated official appointed by MWBA will ask the person responsible to leave the premises.
- 2.2. The BNSW Zero Tolerance Policy in addition to the BA Member Protection Policy, as adopted by BNSW, have also been adopted by MWBA to ensure that:
 - 2.2.1. There will be a Zero Tolerance Policy towards any abusive or inappropriate behaviour from players, spectators and team officials towards referees, players, and score table personnel or members of the public.

Any player, team official, coach, manager etc. who feels the necessity to:

 - 2.2.1.1. Berate or abuse referees or other participants.
 - 2.2.1.2. Ridicule or utter obscenities
 - 2.2.1.3. Display conduct/behaviour which is inappropriate, unacceptable & disrespectful in a sporting environment

- 2.2.1.4. Persistently or wilfully question or challenge the rulings of the referees will not only be asked to leave the stadium but may also be required to appear before the MWBA Judiciary, where additional penalties such as suspension may be applied.
- 2.2.1.5. Does not follow the **directions of the Court Supervisor/Official** on duty.

Will not only be asked to leave the facility, but may be penalised and/or be required to appear before a MWBA/BNSW judiciary, where additional penalties such as suspensions may be applied.

MWBA has the right to remove or withdraw any player and/or team at any time, due to inappropriate or unacceptable behaviour.

- 2.2.2 As per BNSW By-Laws, coaches, managers & spectators in the Little Eagle, Boomer, Opal or Miniball Competitions (Primary School age) must not address the referees in **any way, regardless of their decisions, this includes both comments and gestures. Failure to comply will result in the offender being asked to leave the venue.**

- 2.3 Players and team officials who want to offer feedback or request clarification on officiating issue should speak to a Referee, Referees Supervisor or Court Supervisor at **an appropriate time**.

3. DUTIES & POWERS OF MWBA STAFF, COURT CONTROLLERS, REFEREES, BOARD MEMBERS

- 3.1. All the above personnel have authority over the conduct of MWBA games and may aid in the enforcement of the Official Rules and MWBA competition rules. They also have the power to cite any participants to appear before a disciplinary tribunal in the event of inappropriate conduct.
- 3.2. The MWBA staff member responsible for the conduct of any competition is that competition's Court Supervisor. They are primarily responsible for applying all rules and settling disputes. The court Supervisor will assess each individual situation and direct it to the Competition Coordinator if needed.
- 3.3. Whilst staff are expected to enforce these By Laws, discretion of application may be required under certain circumstances to ensure fairness in participation.

4. TEAM STRUCTURE

The Rep rule is in place to ensure a fair competition for all, & to eliminate the creation of super teams. However, in certain competitions where there may be low numbers, or where there are mixed gender teams, a different Rep rule may apply, these rules have been created in the best interests of the competition & fairness to all players. MWBA reserves the right to make changes from season to season.

- 4.1. **For Division one competitions only.** No more than 3 current Representative players can play in a team of their own age. Rep players from a younger age group may play up, if there are more than 3 Rep players of their own age group in the team, the team must go up at least one age group (sometimes for division 2 there may be allowance due to extenuating circumstances, this will be at the discretion of the Local Comp committee). **Train On players are NOT included in the Rep rule**
- 4.2. For **mixed gender** competitions such as **Year 5 & 6 div 1 Mini Ball** where there are high numbers of Rep players in both genders, a new Rep rule has been introduced. As there are a larger percentage

of male players to female players in this age group, the female rep players will **NOT** count in the rep rule.

- 4.3. Where there are **dual age group competitions** in girls high school competitions (NOT primary school) such as the **Girls year 7/8 Girls Division 1** we will run with a different Rep Player rule. They will use a point system, each team has 4 points, a **Div. 1 rep player is worth 1 point**, a **Div. 2 player is ½ point**. Where there are 3 Rep teams within an age group, a player from the third team will **not** count in the Rep player rule. Players from a younger age group are not included in this rule. **This is due to lower numbers in this age group**, where there is a higher percentage of Rep players.
- 4.4. The rep rule will not apply to the **Year 9-11 Girls *** competition, due to the lower numbers in this age group. The Rep rule does also not apply to **OSB & OSG** as this is the top age group in Junior Local competition, & therefore they are not able to move up.
- 4.5. “Representative Player” refers to a player who was selected in a Representative Program, in the **current BNSW Junior Representative season** (regardless of which association they play for)
- 4.6. If the status of a player changes during the season, this matter will be referred to the Local competitions Committee, and a decision will be made in the best interest of the Competition.
- 4.7. MWBA runs numerous competitions each year. For school-aged children we run mixed competitions (i.e., boys and girls) for Little Eagles (development comp) Years 3-6, Mini Ball. We run Boomer League and Opal League for composite years 3/4 & 5/6 for boys only and girls only respectively.
- Our school aged competitions from year 7 through to Opens (year 11 & 12 combined) are either boys or girls Competitions. We do not allow girls to play in boys competitions and vice versa for these age groups due to safety concerns. Every person when registering is required to register as a Male or Female, based on their birth sex.
- 4.8. Players who change schools’ midseason, may not play in a team for another school in the same division. The same rule applies for independent teams.

- 5.6. **Players playing up in an age group**-Players wishing to play up an age group of **more than 2 years**, must **seek approval** from the Local Comp Committee. This is a duty of care issue and will be assessed on a case-by-case basis.
- 5.7. A player may play in their own age group and/or older age groups. This includes **TEMPORARY PLAYERS**. A player may not play in more than one team in the same division or pool. A player cannot play down only up. E.g.; a division 2 player may play up in division 1, but a division 1 player cannot play in division 2. Less than 3 original team players, will result in a forfeit.
- 5.9. A temporary player may only fill in for 1 team in the same competition. Once a Temporary player has played for a team 4 times, they then become part of the team as long as the team has less than 10 players. If there are 10 players already in the team, they cannot be added, & the player can no longer be added as a temporary player. Eligibility for finals will be determined by, when that player became a permanent member of the team.
- 5.10. A **Miniball** player cannot play in Little Eagles, & a Little Eagle player can only fill in for a Miniball team no more than three times before they must remain in Miniball and not return to Little Eagles.
- 5.11. Individuals from teams that have withdrawn from a competition and still have money owing may not play again in any team until they have paid their portion of the debt the withdrawn team has incurred.
- 5.12. The MWBA **Board** & MWBA Local Comp Committee reserves the right to refuse admission of any team or player into competitions.

For players who start playing in the second half (after holiday break) of the competition, they **MUST** play 75% of the remaining games. If a spectator is asked to leave the venue by a referee or referee/venue supervisor, said spectator/s must do so immediately without issue, or a tribunal report will be lodged, and loss of game will be applied.

Any spectator who is ejected by an official may be banned from entering association venues. Penalties include as follows:

- | | |
|--|--|
| 1st Spectator Ejection | = Automatic 1 Week Suspension |
| 2nd Spectator Ejection | = Automatic 3 Week Suspension |
| 3rd Spectator Ejection | = Removal from Club/Competition |

Any spectator who does not leave the venue immediately, could result in a game forfeit, 20 – 0 score to the opposing team.

SPECTATOR EJECTIONS ARE CUMULATIVE AND DO NOT RESET EACH SEASON.

POST-MATCH INCIDENTS

At the end of each game, coaches & referees may shake hands only, they must not approach or engage each other.

Where a player, coach or spectator does approach a referee at or after the conclusion of a game to engage, question, challenge, abuse, threaten or ridicule the referee (and as such cannot be issued a technical foul or ejected by the referee) the referee will submit a BNSW Tribunal Report against the player, coach or spectator, & potential penalties will apply

These games will not be replayed.

Bench Personnel for games MUST NOT be under 14 years of age.

Senior Leagues - Duty is rostered on the draw. This means a team must supply two people to do bench duty for their rostered duty that maybe be before or after their own game time. Failure to provide bench duty will result in a \$60 fine or \$100 for special event days, e.g., State of Origin. Fines must be paid prior to playing the next round. 13.3.Piercings:

Players in the Junior Competitions (Little Eagles, Miniball, Juniors) will be permitted to tape over piercings rather than taking them out; however, by doing this, the referee and the Association will be removed from liability if the player is injured from keeping any piercings in place.

13.4.Mercy Rule:

This rule is for Division 2 teams and below. The Mercy rule will be implemented by the request of the losing coach once a specific score differential is reached. The referee or court supervisor may ask the coach if they would like to invoke the rule but may not invoke without permission from the coach. Once implemented, when the losing team is inbounding the ball, the opposing team must retreat back to the 3-point line and wait for the ball to be brought up over the halfway line where the players must pick up a player. If the margin falls below the 10 points, the winning team will no longer have to retreat beyond the halfway line.
